

Harrison County Senior Center 2025 Board Election Candidates

Carol E. Brown

I am honored to have served as a board member of the Harrison County Senior Center and am seeking re-election for a new term. Throughout my tenure, I have been deeply committed to the Center's mission, not only through my role on the board but also by directly engaging with seniors as an instructor for Title IID Programs, Bingocize, Tai Chi, and Drums Alive. These programs have helped promote physical activity, social interaction, and overall well-being among our members. My experience has given me valuable insight into program development, community engagement, and the operational needs of a nonprofit senior center. I am dedicated to ensuring that the Center *continues* to grow, offering diverse and meaningful opportunities for our seniors. If re-elected, I will continue advocating for innovative programming, strengthening community partnerships, and supporting the Center's ongoing success as a welcoming and vital resource for our senior community.

Donna Stuart

I retired as of January 2025 from Harrison County Parks & Recreation. My previous employment includes US Postal Service & Harrison County Senior Center. As a current Board Member, I would like to continue serving the seniors by promoting socialization activities such as seasonal crafts, card making, and bowling trips. As a board member, I help promote effective policy in the areas of nutrition and transportation. I have also volunteered with senior nutrition programs & HCSCC Ceramics Group. I have been a volunteer for the Alzheimer's Committee for the past 5 years. I have been a caregiver for my sister as she has been diagnosed with Alzheimer/dementia a year ago. The day to day care has been a learning experience for myself and my family. I would appreciate your vote, thank you.

Harley Jeffries

Mt. Clare Satellite Vice President

I was born and raised in Harrison County and am the current Vice President of Mt. Clare Satellite. I started school at Mt. Clare Grade School and graduated from Bridgeport Senior High. My wife Ruth and I pastor Lighthouse Chapel in Clarksburg, and I am a realtor at KRB Kaufman Properties in Bridgeport. As a current HCSCC Board Member and Health, Nutrition and Wellness Committee Co-Chair, we work with the Executive Director on Kinley Café menus and wellness programs for the center. My wife and I participate in ceramics class and have made many beautiful Christmas items and other pieces. If re-elected, I will continue to work with fundraising, building memberships, and representing you and the Satellites. It has been a pleasure serving on the board and I would appreciate your consideration and vote for a three-year term of 2025-2028.

Bill O'Field

Marshville Satellite President

I ask for your vote for me to continue raising my voice on senior issues at the Harrison County Senior Center (HCSC) Board, Bel-O-Mar Regional Council's Northwestern Area Agency on Aging, Harrison County Commission, Clarksburg and Bridgeport City Councils, WV Legislature, and US Congress. In 2016, I was appointed to the Board after serving on the Executive Director (ED) Search Committee when Beth Fitzgerald was hired. I have served in leadership positions bringing the HCSC's financial situation into positive standing and keeping it stable. During the COVID-19 pandemic, I worked with the ED and Board to keep essential services operational. I have worked to raise awareness and donations for the cure to end Alzheimer's and served as Chair of the North Central Walk to End Alzheimer's. I care about seniors and my work on the Board and the Center's accomplishments during my tenure are my record. Please vote for me.
